Melody line:

Oh, the weather outside is frightful, but the fire is so delightful. And

since we've no place to go, let it snow, let it snow, let it snow! it

doesn't show signs of stopping And I brought some corn for popping. The

lights are turned way down low. Let it snow, let it snow, let it snow! When we
finally kiss good-night, how I hate going out in the storm! But if you'll really hold me tight, all the way home I'll be warm. The fire is slowly dying, And my Dear, we're still good-bye-ing but as long as you love me so, Let it snow, let it snow, let it snow!
